

Burt DeWeese, PT is the Clinical Director of Rebound Physical Therapy in Topeka, KS. He has completed Vestibular Rehabilitation: A Competency-Based Course through the APTA and works closely with local Ear, Nose and Throat Physicians as well as primary care physicians to evaluate and treat patients with balance and vestibular dysfunctions. His other clinical interests are in outpatient orthopedics focusing on hands-on manual techniques and functional strength training while re-educating the body to move correctly. Burt received his Bachelor's degree in Kinesiology from Kansas State University and his Master's degree in Physical Therapy from the Mayo School of Health Sciences in Rochester, MN. He also enjoys cycling, competing in triathlons and coaching his children's soccer teams.
